Why Advertise with *New Hampshire Master Chorale* ?

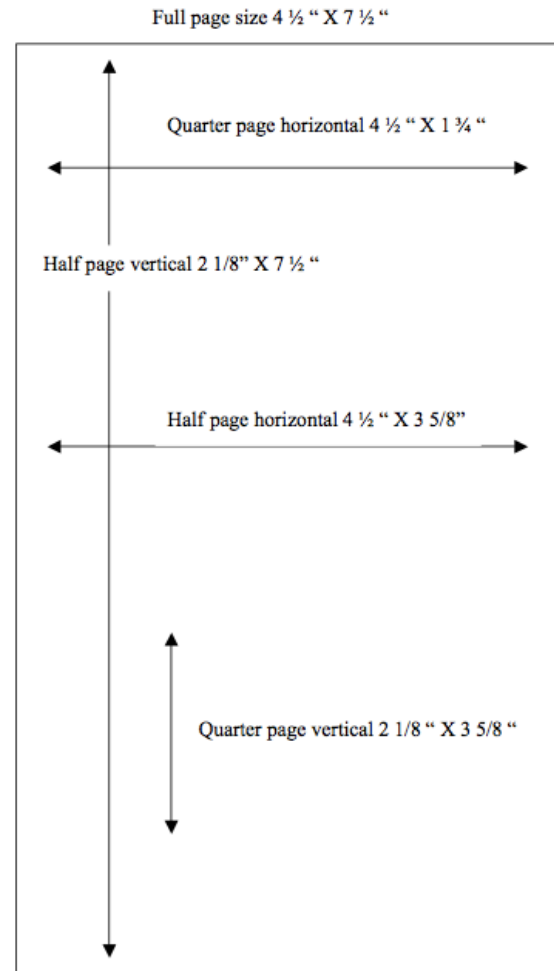

Dear Community Business Owner:

Thank you for supporting the New Hampshire Master Chorale during our 2010-2011 season by placing an advertisement in our concert programs. Your business ad will be seen by more than 2,000 people over the 5 concerts and other events during our seventh year. We encourage our audience to patronize our advertisers, provide you placement on our website, and this year will offer, as one of the prizes in our fundraising raffle, a \$250 gift certificate to shop at the advertiser of the winning patron's choice. We are convinced that this will mean more patrons will be reading the concert program more closely than ever and encourage you to reserve your advertising space now!

ABOUT NHMC

NHMC is a non-profit chamber ensemble, auditioned from throughout New Hampshire. The ensemble's mission includes a performance series, educational outreach, national and international touring, commissioning and premiering works by New Hampshire and New England composers, and collaborative projects with other excellent performing arts organizations.

Since its inaugural season, NHMC has performed 11 original compositions by our Composer in Residence, Jonathan Santore. Several of these have been published or won prizes in national and international competitions and Jonathan has just been named a 2010 Individual Artist Fellow by the NH State Council on the Arts! In 2008 we were included in New Hampshire Magazine's annual Best of the Best Issue. We are very proud of our accomplishments and continue to work to make our advertisers proud to be associated with us.

We greatly appreciate you joining the growing list of area professionals and businesses that sponsor the NHMC and support the arts in New Hampshire.

Sincerely,

Bev Newton
